WORKSHEET EES1: ENERGY QUIZ GAME

You learned about renewable energy in European countries. Now, you will analyze how efficiently energy is used and saved in Europe.

1. You are given some infographics about EU energy efficiency, energy savings in buildings, etc.
 - a. https://energy.ec.europa.eu/energy-explained/interactive-infographics/infographic-energy-efficiency-and-savings_en
 - b. <https://ieecp.org/wp-content/uploads/2023/11/Energy-efficiency-mix-infographics.pdf>
 - c. <https://www.consilium.europa.eu/en/infographics/fit-for-55-how-the-eu-will-become-more-energy-efficient/>

Your task is to analyse the information provided and answer the following questions.

2. What stands out from them?

3. What numbers surprised you most (if any)? Explain why.

4. Choose two numbers or facts from the infographics and explain why they matter.

5. Write them on sticky notes or a mini whiteboard to show them to your classmates.
